Subject: Antonio's Pizza Coming to a Connecticut Town Near You

We hope this email finds you well! We are pleased to share some exciting news with you. On October 31, we will be unveiling three new pizzerias in Connecticut, with locations in Storrs, Manchester, and Vernon. We would also like to welcome our new COO, Jake Welz who will be leading this expansion. He has been a devoted employee for the past 25 years and exemplifies hard work and dedication to the Antonio's brand.

Our new three locations are set to open flaming ovens at **5 PM on October 31, 2023.**

These locations can be found:

43 Church Street, Storrs, CT 06268

32 Washington Street, Manchester, CT 06040

106 Water Street, Vernon, CT 06066

To celebrate the grand opening, we have a special Halloween promotion planned. **\$1 Pizza Slices** will be offered to anyone who arrives in costume! The **best costume**, as voted on by our staff and customers, will win a **\$100 gift card**. We are very excited to be coming to Connecticut and look forward to having you for our inaugural night of fright and fun!

Make sure to get in line early with your creative costume and hungry stomach.
